

## Announcing the 2022 Niners' Tournament Winners

The Niners' Tournament committee members (Kathy Fuller, Sandy McCallister, Paula Johnson, Karla Colby, and Carol Zinsli) thank all of you who participated in our 2 day tournament. For the first time in several years there was a tie for the champion. Rose Mills and Kim Warram requested they be allowed to be recognized as co-champions instead of competing in a playoff. The tournament committee voted to accept their request so they will share the recognition and award.
