Julie Beaton clarifies some issues about the Club Tournament, players must have a handicap and it is two dates, participants must play in both. Niners who want to play on those days may "follow the field" and play after the tournament.

The Niners Program was discussed. There will be a matinee on September 27 at 2pm and shows on Sept. 29 and Sept. 30. Each Niner will get one free ticket.

Pink Ball update by Mary Fieweger was given. Pink Ball is Sept 6. We raise thousands of dollars for OHSU who uses these funds toward their breakthrough science research in the fight against cancer.
