NINERS GENERAL INFORMATION

MONTHLY MEETINGS

Each member is urged to make a special effort to attend monthly meetings, even if she is unable to participate in golf or lunch on the day of the meeting.

REGULAR PLAYDAY SIGNUP-TEE TIMES

Email Invitation:

1. Sent on Tuesday, the week before Play Day, at Noon.
Invitation can be accepted or declined any time before Friday at noon. Your playing choice can be changed through the same email as long as signups are still open.
2. The only acceptable reason for a specific Tee Time is for a medical reason. Please contact a Scoring Committee Member if needed. Scoring Committee member will confirm with Club President.

Tee Sheet:

1. Tee Sheet will be sent **Sunday** at noon to all signed up to play.
2. No trading or change requests to assigned Tee Times are allowed.

Waitlist:

1. If you miss the open signup, which closes Friday at noon, you can email the sender of the INVITE to be placed on the Waitlist.
2. If there is an available Tee Time, you will be notified of your Tee Time Monday afternoon, by email or call.
3. If you have not been contacted, you can call the Pro Shop Tuesday morning for last minute available Tee Times.

Cancellations, Changes, No-Shows:

1. If you need to cancel prior to Tuesday morning, email or call the sender of the Tee Sheet.
2. If you need to cancel Tuesday morning, please CALL the Pro Shop so they can fill your spot. No-shows make it very difficult to rearrange players.
3. On Tuesday morning the Pro Shop will not trade Tee Times. Scorecards are already printed.

Team Captain:

A member of the foursome will be designated Team Captain. Their responsibilities include:

1. Record all scores on the printed Scorecard handed out during check-in.
2. To clearly record hole scores, Birdies, Putts, Chip-ins, etc. on Scorecard.
3. Sign and have Scorecard attested.
4. Record Putts, Birdies, etc. on Master list next to Scorecard Box. Scorecard Box and Master List will be located on a table in the Patio area.

SCRAMBLE EVENTS

Scrambles are usually held on the first Tuesday of designated months. Notification of signup instructions for golf and/or lunch will be announced approximately 30 days prior to the event. Golf registration will typically be done via an email notification from Golf Genius. Please adhere to all instructions regarding registration, paying of fees and deadlines to insure participation in the event. If you must cancel golf, please call the Pro Shop and the Scramble Chairperson asap.

Members of the Niners are required to have an established handicap to play in any of three standard Scrambles or scramble events where payouts are awarded. Niners can play any day of the week and record their scores in GHIN to get enough games to establish a handicap. Par 3 only courses will not count toward a handicap.

Golf Genius will create the Scramble tee sheet and will be emailed to each player prior to the day of play. In addition, it will be at the Pro Shop.

Players should arrive, check in and be prepared to tee off 30 minutes prior to scheduled tee time or shotgun start whichever is applicable.

CHAMPIONSHIP TOURNAMENT

The annual Championship Tournament will be held on two consecutive Tuesdays in August. The **winner** will be based on the **cumulative score** for the **two** rounds. Sign up for the tournament will be announced approximately two weeks in advance of the event. Pairings will be prepared and posted by the Scoring Committee. The annual Championship tournament is open to all members with a handicap index who have played in at least five Niners' events that year. Consideration for the Most Improved player of the year requires ten posted scores of nine holes or equivalent at the Charbonneau Golf Club that year.

HANDICAP AND SCORING

On January 1, 2020, the USGA, The R & A, and many golf associations around the world created a **World Handicap System (WHS)**. Its purpose is to enhance the enjoyment of the game of golf and to give as many golfers as possible the opportunity to:

- Obtain and maintain a *Handicap Index*
- Use their Handicap Index on any golf course around the world
- Compete, or play a casual round, with anyone else on a fair and equal basis

WHS will establish your Handicap after **six (6) 9-hole rounds** of golf have been posted, or **three (3) 18-hole** rounds of golf have been posted, or **any combination of those that equal 54 holes** down from the previous 90 holes required.

SETTING UP A GHIN ACCOUNT

It is important that each player set up their digital profile and add a unique email to access the Golf Handicap and Information Network (GHIN) application to post your score hole by hole. When posting hole by hole, the GHIN system will adjust your score accordingly.

POSTING OF SCORES:

We encourage players to get out, have fun and enjoy the sport of golf. As a sanctioned organization based on integrity and character, we feel the best practice is to post your golf score after an acceptable round of golf in the GHIN application. Some exceptions when you would not post a score are:

- A round played alone
- Scramble format
- Number of clubs restricted
- Incomplete round, less than 7 holes played
- Seasonal posting restrictions

On regular play days, score cards are to be submitted no later than 3:00 PM on the day of play so that the Scoring Committee can post scores.

MAXIMUM STROKES PER HOLE

Maximum hole score for each player will be limited to PAR Plus 5. Once maximum strokes have been reached, whether on the fairway or green the player is to pick up their ball and continue to the next hole.

Example: Par 3 + 5 = 8 Par 4 + 5 = 9

PUTTS

Putts are to be counted and recorded, unless the player has reached the maximum number of strokes on the hole. In the case of maximum strokes reached, then no putts are recorded.

POSTING A SCORE FOR HOLES NOT PLAYED

On regular play days if you do not play or finish a hole, enter par plus 5.

Example: Par 3 + 5 = 8 Par 4 + 5 = 9

COMPUTER POSTING

Other than Regular Tuesday play, you may and are encouraged to post your score by using your GHIN app. Charbonneau is your "Home" course. Select the correct course either Red, Yellow, or Green, 9 or 18 holes. Women play from Red Tees, so select the correct tee. If you play another course beside Charbonneau select "Away". Be sure to post Hole by Hole.

Until you have a handicap index, you will not be eligible for Gross and Net Score awards for Regular Play Days.

PLAYER CONDUCT & INTEGRITY

“Play in the spirit of the game”

ACT WITH INTEGRITY

- Know and follow the Rules of Golf-USGA, Charbonneau Golf Course, and the Charbonneau Niners
- “Honesty is the best policy”
- Keep an accurate stroke count with the help of a scoring aid or assistance from another player
- Arrive early for play, at least 15 minutes before tee time and cancel tee times if unable to play

SHOW CONSIDERATION FOR OTHERS

- Don't move, talk, make noise, take practice swings or do anything that might disturb a player about to take a stroke.
- Don't offer unsolicited advice.
- When the player is at the tee addressing the ball, do not stand close or in a line behind the ball where the player can see you.
- When a player is putting do not stand directly in front or behind her.
- Don't hit your ball until those ahead are well out of range and would not be hit by your longest or wildest shots. (Hint: Short hitters play first).
- Don't step in the line of a player's putt, even before she is ready to putt. The footprint could dent the turf and keep the ball from running smoothly.
- Mute your phones when on the course.
- *When grounds workers are actively working on the course, wait until they are safely out of range or until they wave you to play through before taking any shot.*

TAKE GOOD CARE OF THE COURSE

- At the tee, repair your divots with the sand/seed combo in the buckets.
- Repair all divots in the fairway and the rough, and repair ball marks on the green.
- Rake footprints when leaving a bunker.
- Avoid damaging the green by dropping the flagstick or standing too close to the cup.
- Don't pull hand carts between a green and a bunker to reduce wear on the course.
- Power carts must be kept 30 feet from greens and bunkers.
- Power carts must obey the 90-degree cart path rule when posted.

GOLF RULES

THREE SETS OF RULES GOVERN PLAY: USGA RULES OF GOLF (usga.org/rules), CHARBONNEAU LOCAL RULES (detailed on score car) and USGA accepted local rule.

You can drop a ball in the fairway within 2 club-lengths of that fairway edge point not nearer the hole than the estimated spot
- One stroke and hit ball from place of previous shot (stroke and distance)

2. Unplayable lie (can be declared anywhere on course by player except in a water hazard)

- One stroke and replay from previous place (stroke and distance)
- One stroke and drop two club lengths from ball no nearer the hole (lateral relief), club length is longest in bag except putter

 - No relief when ball is in the rough

11. **Substituting a ball**
 - Player may swap a ball when teeing off
 - Player may swap a ball when taking relief under a rule

12. **Double hitting ball – twice with single stroke**

14. **Dropping**

 - If the ball dropped rolls out of the relief area player must drop the ball again on the same spot that the previous drop landed in the relief area and if it again rolls out of the relief area the ball may be placed in the relief area
 - One stroke if dropping incorrectly inside relief area and continues to hit the ball
 - Two strokes if dropping incorrectly outside of relief area and continues to hit the ball

- May listen to music in cart as long as it is not distracting to other players
- Listening to music or other audio to eliminate distractions or to help with swing tempo such as with earbuds is NOT ALLOWED, resulting in: First warning = 2 strokes; Second warning = disqualification
- Please be considerate to your fellow players

SPEED OF PLAY

“9 in 90 minutes”

- Ready golf – play a nine-hole round in 2 hours or less.
- The first player ready hits first, any shots including putts.
- Limit practice swings to one only. Preferably, take the swing outside of the tee box.
- While one player is teeing off, the next player should be ready.
- Watch others hit to help find lost balls. There is a three-minute maximum to search for lost ball.
- Plan ahead by quickly arriving at your ball after each shot while planning your next shot ahead of time.
- If riding in a cart, drop off your partner first, let her take the clubs she will need, and drive to your ball. Then pick up your partner who is already walking to her next shot.
- Keep up with the group ahead of you but hit only when they are out of your range. (Hint: Short hitters hit first).
- If the foursome behind you is waiting on you, after putting, two players can advance to the next hole and hit to speed up play.
- Ready golfers carry an extra ball, an extra tee, and a ball marker in their pocket. Mark your balls for faster identification.
- Be alert...Stay out of player’s ball path.
- When approaching the green, park at the side of the green nearer the cart path to the next hole and be sure to take all clubs needed to finish the hole.
- If you can’t walk Line up your putt before it is your turn. If you miss a putt, consider putting out rather than marking your ball. After asking permission, carefully mark the other players’ balls for them if it speeds play.
- Plan to mark your scorecard at the next tee.
- If you can’t walk briskly, please use a power cart.

OTHER POLICIES AND GUIDELINES

1. Handicap indexes will be established according to the WHS guidelines for 18 holes and will be calculated on the results of an 18-hole round or two nine-hole games (combined) played according to the *Rules of Golf*.
2. The first person signed up in a playing group typically is captain of that group. She shall keep an accurate score for each player, and submit a correct, completed, and attested card for the group.
3. Committee Chairs are encouraged to hold their positions for two years.
