

The Niners

By CATHY LOFFINK

The season is winding down

After several years, Mary Fieweger stepped down from writing the Villager articles for the Niners. We want to thank her for the interesting and often humorous columns she

wrote. So please take pity on me as I write my first article for the Villager. I have an impressive act to follow.

On Sept. 19 the Niners held its Annual Awards Scramble and Luncheon. It was a successful and delicious luncheon catered by the Market Café culminating in the election of the 2024 Executive Board officers and presentation of the many deserving awards.

The Niners unanimously elected Chris Sutton as secretary, Marsha Wadsworth for another year as treasurer, Bonnie Bohm as vice president and Cathy Loffink as president for a second term. More information will be in the December Villager article.

After a championship playoff between Judy Williams and Rose Mills, Judy was victorious as the 2023 Niners' Club Champion. Rose was an awesome competitor. The other winners in the tournament were Gross Flight 1 – Rose Mills, Flight 2 – Virginia Horler and Flight 3 – Cathy Loffink. Net winners were Flight 1 – Judy Cain, Flight 2 – Mary Hammond and Flight 3 – Beth Martin. Our most improved golfer was Julie Beaton. Congratulations to all those that received awards for the

The Niners championship tournament winners pose for a photo.

2023 season.

For another year the Charbonneau Niners put on a wonderful program, "5 O'clock Somewhere," for the community. All three performances were sold out. There were many laughs and a great deal of song and dance. We wish a big thank you to JoAnna Sawyer for

a great show and I am certain there is much anticipation for next year's program. Be sure to check out the website, ladiesninersgolf.com, to see the many pictures from the show.

Finally, watch for future notifications regarding the Niners' Holiday Party and other winter events.
