Once again, the Niners have proven themselves to be more than a golf club. Aside from being a fun group of women, we are resilient as our participation in our Guest Day event proved. The temperature was at an extreme level and our ladies persevered despite it. We must be doing something right,

since it also brought us new members.

On Aug. 6 you may have heard the hum of golf balls in the air and a bit of music on the course as our Niners

celebrated their last regular scramble "The Course is Alive with the Sound of Niners." It was a festive day with pleasant weather, (non-alcoholic) Margaritas and a contest where we putt a ball through a tube before it reached the hole. It was definitely more challenging than it sounds.

As we move into the later half of our golfing season, we have more events to come. It is now the time to put out the call for all Niners. Our annual tournament is something you won't want to miss. It is Tuesday, Sept. 10 and Thursday, Sept. 12. The best part is that you will be grouped with ladies who have similar handicaps so there is a chance for anyone to win. The requirements are an established handicap and participation in at least five Niner play days. Please watch for email notices and look for flyers in the ProShop for signup details. If you have any questions, you

may contact Julie Beaton at jmbeaton2@comcast.net.

After that we will hold our annual Niner Community Performance. If you haven't gotten your ticket yet, be sure to do that before they sell out. Niners get a free ticket and, if you have not seen the show in the past or are new to the community, it is considered a must see for Niners, their friends, family and the community. There will be three shows, a matinee on Thursday Sept. 19 and evening shows on Sept. 20 and 21. Tickets are available at the front desk of the Activity Center.

Finally, to round out our golf season events is the Awards Scramble and lunch. Golf with whoever you want and enjoy a special luncheon as we honor all our Niners. This event is Sept. 24.

Even as our golf season winds down, our good times will continue with a fall and winter season of activities.
