

The Niners

By MARY FIEWEGER

We wish you all a happy holiday season

FIEWEGER

What a fun year for the Niners. Let's start with a poem that Cheryl Barnum wrote for us! Cheryl will continue with her popular "Seasoned Niner" column in the January issue.

Ode to the Niners by Cheryl Barnum:

Our 2021 Season has come and gone, what a year the Niner's had and because of friendships it wasn't bad.

We had scrambles, tournaments, lunches, and of course golf.

That brought us all to be

involved.

COVID-19 gave us lots of restrictions.

But the Niners kept up with their traditions.

Wilsonville Community Sharing, Niners performance, Pink Ball, and fundraising. We worked so hard it was amazing.

We followed the rules and kept on going and showed COVID-19 that we are still growing.

Helping each other and laughing a lot is how the membership hit the jackpot.

So thank you Niners for a year well done as we hit a home run.

But guess what? We have only just begun.

We presented Lisa Nolen from OHSU Knight Cancer Institute with our check for \$70,444! Thanks to all who supported Pink Ball 2021.

Mark your calendar for Sept. 13, 2022 for our 18th Pink Ball! Brenda Gardiner and Mary Fieweger will co-chair the event

and Lynn Theis will chair the silent and oral auctions. Our goal is \$100,000. The Pink Ball Committee sign-up sheet will be at our 2022 Welcome Back Coffee, Tuesday, April 5.

Like wrapping presents? The Niners will hold our second annual Christmas Gift Wrap project in The Turn from Monday, Dec. 20 through Thursday, Dec. 23 from 11 a.m. to 3 p.m. We need holiday gift wrapping paper, bags, name tags, and ribbons and bows. Please let me know and I can arrange to have your donations stored in our clubhouse closet. We selected Wilsonville Community Sharing for last year's project. We presented them with a check for \$1,300!

Know of a charitable organization in Wilsonville? Please give me a call. Kathy Hartlaub gave our donation of \$457.50 to the Charbonneau Employee Scholarship Fund. The committee is reviewing the applications and will let us know the recipients. Thanks for your hard work Kathy.

Do you have a favorite family recipe? After collecting your favorite recipes we will publish a booklet. This will be a gift to you at the Welcome Back Coffee! ☘
