

The Niners

By MARY FIEWEGER

Congrats to the Wildcats for finishing second in state

We have settled into summer, and there's been lots of rain for our flowers. At least the ball seems to be rolling a lot further. Every bit helps!

Thank you new members who have stepped

up to chair Niners events. We appreciate you. Shellie Sillaman and Marsha Herron will co-chair our Member Guest Day! Also, a correction to the two co-chairs for the New Member Orientation. Thank you to Karen Siegal and Sandy McCallister.

We have learned that a "long-time" Niner passed away this week. Peg Watson was 103 years old! She started the Pink Ball Golf Tournament 18 years ago to honor her sister, Ina, who had breast cancer. Even in the last years she played golf with us, she walked! When Peg started playing golf at Rose

City in Portland, she paid 35 cents for 18 holes! The "good ole days."

Cheryl Barnum and Mary Fieweger enjoy co-chairing the Wilsonville High School girls team. Last year they won state! This year they placed second. They went to the state championship at Quail Valley Golf Course, and enjoyed following the girls and meeting their parents. The girls are aware of the Niners support financially for uniforms, etc. The Niners purchased the matching "Wilsonville Girls Golf" bags (they leave these for the team), hats and team shirts. Chris said the girls are very appreciative and "feel like a team." On the Niners application, we have a line for "Wilsonville

Girls Golf" donation. Mary and Cheryl were invited to attend the end of the season awards event. This year the team presented the Niners with a plaque and their pictures thanking us for our continued support. The plaque will be on display in the Pro Shop by the Niners area.

Pink Ball meetings have started! The 18th annual tournament will be held on Tuesday, Sept. 12. Mary Fieweger and Brenda Gardiner will co-chair this event. They welcome participation from membership. Contact them to see what is needed and how you can help. This is the largest event in Wilsonville

with 180 golfers and another 50 joining us for the lunch and Silent & Oral Auction. We will update you with details at the June Scramble. This year we will only be offering one choice for a sandwich (from Fir Point). Someone asked, "What if they are gluten free?" Dana Richmond said, "Well they can bring their own bread," to which Kris Fulton added: "BYOB, bring your own bread." Our meetings are weekly on Wednesdays starting at 10 a.m. in the

Clubhouse Dining Room. Your help in donating and/or soliciting for Silent Auction baskets are well received. Rounds of golf at exclusive area courses are the most popular auction items. If you have connections to an area golf course, let us know. We can give information to provide them and/or make an introduction and we will contact them.

Lots of fun events are still to come. Save the dates for the Scrambles, Member Guest Day, Pink Ball Golf Tournament and the Niners Annual Golf Tournament (the co-chairs are Julie Beaton and Cheryl Gore).

We have many fun events ahead of us. Your participation and support are especially appreciated.
