

Niners

By CATHY LOFTINK

Our first scramble was a major success

What an exciting time for our nation. 250 years. Be sure to enjoy all the celebrations and be proud of our red, white and blue country.

Proud is what we are of our Niners league. The interest in our group keeps being shown and women are still joining. Our first scramble in May was truly a success. A huge thanks to Ginny Jorgensen and her committee. The next scramble event will be held on July 7. What a great theme Ginny and her committee came up with,

Flamingo swing. The decorations I am certain will truly be spectacular. After that is our Couples Event. Last year this event was so successful, the Niners positively want to make sure it is a standard Niner event. Last year the theme was beach related, so this year Laura Kusiak and her committee decided on a polar opposite theme, Christmas in July. Definitely no beach balls, maybe snowballs? It will be held on Tuesday, July 21 with golf at 3 p.m. and dinner afterward. Invite that one person who makes you a couple for this fun event. Be sure to check out the flyer and/or Niner website for details. You can sign up online or in the Niner notebook in the Proshop. We have more plans for the rest of our seasons, so be sure to watch for Niner communications.
