**Wilsonville High School Girls Golf Team**

Cathy shared that the Wilsonville High School Girls Golf team won first place in the State High School Golf Tournament. The team now will move on to compete in the PGA National High School Championship Tournament. It will cost \$3,000 per team member to travel and compete in this tournament. Chris Bensel has requested monetary donations for the team from the Niners and other groups. Cathy requested and received approval from the board to post a flyer requesting donations for the team. Donations may also possibly come in the form of a putting contest to be organized with Niners and CWGA. Marsha will also check to see if the Niner's budget can support a club donation.

**Club Officers for Next Year**

Officers for next year- Cathy's term as President ends on Nov 1<sup>st</sup> this year. Bonnie as current VP has committed to taking Cathy's position as President. Marsha will complete her term this year and her replacement has already been determined and is currently being trained. Chris has committed to serving next year as Secretary. Therefore, the only position left to be filled is VP for next year.

Suggestions for members to serve on a nominating committee for VP for next year were made.
