Twenty-twenty-two was a great year for the Niners!

Membership grew with both new golfers and new social members. Thanks to everyone for introducing us to your friends. Our season ended in October, but some of us will continue to play and brave the colder weather. We hustle to the propane heaters as we walk off the ninth hole!

Our annual performance, 'On the Road With The Niners' was dedicated to the memory of our dear friend, Pat Tewell. We gave the performance to our Niners at our End of the Year Banquet, hosted by Joanna Sawyer, Dianne Reiter and Cathy Loffink. They provided a gourmet banquet along with delicious desserts. Two performances to the community followed and were sold out.

Thanks to Joanna Sawyer for her 18th year of direction and 'patience' in teaching us the dance and working with us on our skits. She has already selected the theme 'It's Five O'clock Somewhere' for next year. She still has room for the dance team and skits. The committee sign-up book is in the Pro Shop Niners Cabinet. The funniest comment we ever heard from Joanna after hours of practicing was, "Well that is a move I don't remember teaching you!"

You," — chaired by Cheryl Barnum and Cathy Czar — we were treated to a free lunch! We enjoyed pizzas and salads from the Market Café and brownies and ice cream from Laraine Vazzana and Mary Fieweger. On behalf of the nominating committee of Cheryl Barnum, Karen Siegel, Carol Zinsli and Joyce Bowden, we introduced the slate of officers for our 2023 season. The membership unanimously approved Cathy Loffink as president, Kim Warram and Sharon Garrick as co-vice presidents, Marsha Wadsworth as treasurer, and Sandy Ester-son as secretary. Congratulations and please support them in committee work so we can have another great season! Winners all received recognitions.

We are saddened by the recent loss of our NINER, Betty Cyphers. Betty enjoyed playing with the Niners for five years. Big sister, Virginia Horler, shared that she was an accomplished artist. We learned from a neighbor and Niners social member, Mary Tillery, that she was also a seamstress! She sewed all her own clothes! Ray and their three children would welcome a card. Please mail to Ray Cyphers and Family, 7690 S.W. Village Greens Circle, Wilsonville, 97070.

For the December issue I will review our 2022 season. If you have something fun to share about a game and/or event let's include it! Contact me and I'll get it into the column. 🍷
