Our annual performance is coming up

LOFFINK

You may have noticed something reminiscent of a beach party at the pro shop practice area on a warm, sunny July 22. No, it wasn't the Beach Blanket Bingo movie set, and Annette Funicello and Frankie Avalon were not the stars of this gig. It was the Niners Couples Scramble and Niners and their guests were the

ones playing in the sand. It was truly a sight as they donned humorous beach attire to pose in and had memorable pictures taken. The last time this event was held was nine years ago and since this was a success it will be added yearly to our calendar of events.

As we move into the later part of our golfing season, we can look forward to other events. Be sure to sign up for the Annual Tournament, being held Tuesday Sept. 9 and Thursday, Sept. 11 at regular tee times. All levels of players are encouraged to participate. Golf Genius will pair you with similar handicaps. The theme is "It's Time To Shine," so be sure to wear or accessorize with sparkle or shine. Requirements to play in the event are an established handicap and participation in at least five regular play days during the 2025 season. There is no

charge other than the regular "green fee." The sign-up notebook is available in the Proshop. Then on Tuesday, Sept. 23 we will have the Niners Awards Scramble and luncheon. This is our way of celebrating all the Niner achievements during the golf season and recognize the many women who make our organization successful and enjoyable. Sign up online at ladiesninersgolf.com or in the notebook in the Proshop.

Finally, there may still be tickets available for the Niners Annual Performance. This is a lively entertaining song and dance program and sometimes satirical commentary on music of all kinds. Tickets are \$5 for the matinee, at 2 p.m. Thursday, Sept. 18, and \$10 for the public at 6 p.m. on Friday, Sept. 19. Get a libation from the bar and sit back and enjoy the show.
