

## The Niners

By MARY FIEWEGER

# The season is ending in October

FIEWEGER

By the time you are reading this issue, our 2021 Pink Ball Tournament will be over.

We had 180 golfers and 35 non-golfers join us for lunch and the auctions.

The Pink Ball Com-

mittee have put many hours into making this a great success. Our baskets, wine and auction items were excellent. We will let everyone know how much we raised. If you missed attending and/or would still like to make a donation, you can! Make checks payable to OHSU Foundation and mail them to Pat Tewell at 32605 SW Lake Point Ct. Wilsonville 97070.

Congratulations to Claudia Riewald, the Niners Club Champion!

Thank you Carol Zinsli and Pat Tewell for another successful Championship Tournament. We loved our gift bags!

### Seasoned Niner by Cheryl Barnum

Accomplished! Accomplished! Accomplished!

We have a member that has accomplished most everything that have been presented to her. Virginia Horler has lived in Charbonneau with her husband, Brian, since 2007. Brian was originally from England and Virginia was from California. They have been married for 56 years and have one daughter, Jennifer (a good golfer) and two grandchildren. Before moving to Charbonneau, Virginia and Brian lived in West Linn. Jennifer and her family purchased the house from Brian and Virginia!

They have traveled to over 100 countries and all 50 states. Both of them have taken advantage of the opportunities offered to them in Charbonneau. Virginia has been a member of the Niners for 14 years. She has served as co-president, certified handicap chair, Big Sister, co-chair of the championship tournament, co-chair of the member orientation, nominating committee and lead audio for our Niners' annual performance. She was Niners Club Champion in 2011 and 2015. For three years she was a Pink Ball bronze level sponsor and on the fi-

nance committee of Charbonneau Golf Inc. In 2014, Virginia wrote and produced the pace of play video "Are You Ready for Golf?" Brian was involved as well, serving on the Board of the Charbonneau Golf Inc. and in 2013 he restarted the Men's Nine Hole Group.

Virginia's favorite activity is serving as a Big Sister and encouraging new members. "My Big Sister was Linda Landre. She passed away several years ago. Linda got me off to a good start!" Here are some lucky "little sisters" coached by Virginia: Connie Robertson, Betty Cyphers, Sandy Ester-son, Kim Warram, Frieda Jackson and Joanne Stuvik.

She really likes Golf Genius as she is playing golf with new people she probably wouldn't have had the chance to meet. In fact, she played with Judy Cain one Tuesday and found out she grew up on the same street with her in Berkeley, California. It's a small world that developed a new friendship.

Our season will be coming to an end Tuesday, Oct. 26. You can still play golf but we will no longer be

recording scores and/or having payouts.

Our 2021 Niners performance "Queens of Music" was held on Sept. 28. This is the first time we have given the skits and dance to the Niners before the general public and family and friends. Pictures will be in the November issue.

Mark your calendar for Tuesday, Oct. 5 for our end of the year awards and general meeting.

Our last board meeting for this season is Friday, Nov. 5 at 10 a.m.
